back to Bangkok

schützenfest Zahntag Stefan health check and flight to Siem Reap

back to Cambodia straight away! The 3rd of moon seven obviously turned out as real schützenfest (happy first birthday! love and miss you, baby!) See also Pattaya report in moon 6 ...back to Cambodia straight away!

in course of this real schützenfest episode 9 of **you are in the army now** on the last page slightly adjusted to be a bridge to modules 1 to 9 as well as to episode 10, and colonel reviewed modules 1 and 2 of **you are in the army now** published too.

However, tonight my office abo expires and I do not know yet when I will be having a new one. So maybe a good occasion for all interested readers to catch up with their lecture of all other contents of Kafka's Heritage. Six weeks time for our recruits is over already. Keep this in mind!

back (with a few united minds rebels from anywhere and with my notebook in use) on the terrece in Cambodia

soldiers back in the barracks after three weeks inter basic service recovery break from intensive first six weeks in our TT crashcourse for beginner recruits (modules 1 - 9) and happy with trailer to their TT crashcourse for advanced recruits **you are in the army now (episode/module 10)**

yesterday switch from office to open office. Insted of adjusting the formatting we start with a new file beginning with month 7 (in use since today ☺). So there is no extra reading time for you (gold) eagles. Just try to catch up.

published yesterday nosedive workong papers with excercise as preparation for the formation flight with colonel Becker on friday morning (before advance crash course with major Tom is on the agenda again).

**A real bright fullmoon in shines on the UK and Boris Johnson tonight! British people clearly votes a second time to leave EU. By 31<sup>st</sup> January 2020 Britain will be free!**

**US house judiciary committee approves articles of Trump impeachment**

eventually! major Tom is back and presents his preview to the coming two week hollydays in **you are in the army now (episode 11 – adv. TT day 1)** ... his **agenda preview** published today ...

so to think able: initial move on merry christmas with a nice deleyed Nicolaus surprise ... ... postponed ...

**King Felipe VI of Spain calls to respect constitution (of 1978), which is based on the fundamental spanish concordate of 1976, in his christmas speech**

Happy great-grandmother Queen Elisabeth II commemorates moon landing, 50 years ago, in her christmas speech
